Mastry Suzuki Repower Center Network Expands with Addition of Custom Marine

Services of Panama City

ST. PETERSBURG, Florida (March 12 2020) - Mastry Engine Centers announced today that their latest authorized Mastry Suzuki Repower Center is Custom Marine Services in Florida.

The Panama City facility joins a growing network of retail outlets in the state that now specialize in assisting customers with Suzuki service and propulsion needs and in repowering boats with Suzuki's renowned four-stroke outboards.

"We are excited and pleased that Custom Marine Services of Panama City is now a part of the network of Mastry Repower Centers. Their reputation and commitment to quality service makes them an ideal partner," stated Kevin Carlan, Mastry Engine Center's President.

Family-owned Custom Marine Services of Panama City in northwest Florida has been servicing the area's marine customers for over four decades.

"As the latest authorized Mastry Suzuki Repower Center we have even more opportunity to serve our marine customers," said J.R. Williams, Co-Owner of Custom Marine Services of Panama City. "Along with my dad, Ronnie, and our entire team, we are proud to be associated with the industry's most innovative and experienced network of professional Suzuki Repower Centers."

Custom Marine Services of Panama City is conveniently located at 310 Beach Drive in Panama City. It is a full-service marine facility serving its customers with the area's most experienced and expert team of factory authorized technicians.

"As the area's only official Mastry Suzuki Repower Center, Custom Marine Services of Panama City understands that repowering a boat isn't simply swapping out your old outboards for new outboards. It takes advanced skills, thoroughly factory trained technicians and exceptional experience," explained David Taylor, Sales and Marketing Suzuki Repower, by Mastry Engine Center.

About Suzuki Repower, by Mastry Engine Center

Suzuki Repower, by Mastry Engine Center, offers the industry's most innovative and dependable outboard propulsion systems, Suzuki Marine Outboards. Suzuki's dedication to creating the finest 4-stroke engine technology has made them unmatched in marine outboards. The result is the industry's largest and most formidable all-4-stroke lineup. From the mini-might 2.5 horsepower portable right up to the new flagship V6. Add to that, Yanmar Mastry Engine Center has been supporting the marine industry for over half a century, helping boat builders, boat dealers and retail customers find the perfect engine packages designed to best fit their needs and not stretch their budget.

Suzuki Repower, by Mastry Engine Centers, are stationed throughout Florida assisting customers with Suzuki service and propulsion needs. Their highly experienced, factory trained technicians use only genuine Suzuki rigging, parts and controls. All installations are water-tested to be sure the motor(s) are rigged correctly, at the proper height and they are propped perfectly for superior performance. In addition, Mastry offers the option of a financing program that is not linked to your boat title.
